EXPERIENCE

Peace Corps Botswana

Botswana

Education Volunteer

July 2025 - Current

- Teach English and life skills to students in grades 3-6, fostering literacy and personal development
- Design and implement digital literacy curriculum, classes, and workshops for students and teachers
- Build teacher capacity through workshops, training, and mentorship, improving instructional practices and supporting student learning outcomes
- Craft a community library program to expand access to educational resources for youth

YouTube

Remote

Founder & Creator

May 2017 - July 2025

- Built and led a content platform with 420,000+ subscribers and 80 million+ views, ranking in the top 0.2% of creators globally
- Directed a team of 10 collaborators, coordinating video production, design, and marketing strategies
- Recognized by YouTube as a Top LGBTQ+ Creator; received YouTube Silver Creator Award presented by then-CEO Susan Wojcicki for large-scale impact; featured in YouTube campaigns
- Analyzed audience engagement and advertising performance data to guide content decisions, generating \$600,000+ in revenue
- Partnered with major brands to deliver profitable, high-engagement digital campaigns

Cleveland Council on World Affairs

Cleveland, OH

International Affairs Intern

September 2024 - December 2024

- Supported coordination of Model UN programs, enabling Cleveland-area students to participate in immersive international diplomacy simulations
- Designed and developed international crisis scenarios for conferences, enhancing educational impact
- Engaged with U.S. ambassadors, UN officials, and foreign diplomats during weekly meetings to support the Council's international engagement mission

Cleveland State Office of Civic Engagement

Cleveland, OH

Media and Communications Coordinator

October 2023 - March 2024

- Developed social media content to increase civic engagement and provide election resources to students
- Managed and supported the university's tutoring programs, coordinating 80+ tutors and 150 students
- Boosted digital engagement by 200% over five months, driving increased tutor applications and participation

Cleveland Metropolitan School District

Cleveland, OH

Assistant Teacher

May 2021 - May 2023

- Designed and implemented lesson plans to enhance student engagement and improve literacy outcomes

- Provided individualized and small-group support, improving students' English reading, writing, and language skills
- Collaborated with lead teachers to adapt curriculum and support diverse learning needs

EDUCATION

Cleveland State University Cleveland, OH
B.A. Linguistics, Minor in Anthropology 2025

The University of Michigan Ann Arbor, MI
Public Policy and International Affairs (PPIA) Fellow 2024
